

# NDR Rally Program Policy

The following is the *NDR* Rally Program as presented and implemented following the 2000 National Championships in Saginaw, Michigan.

## **NDR Rally Program - Overview**

1. The United States and Canada are divided into 9 regions.
2. A Regional Racing Program was developed to increase participation by racers and to add to the overall number of rallies.
3. Regional point championships were developed to send prequalified finalists to the *NDR* National Championships
4. Regional Championship races are held in all regions to send prequalified finalists to the *NDR* National Championships.
5. National points are maintained to establish the "Top 16" positions in each division. The "Top 8" point earners in each division are pre qualified finalists at the *NDR* National Championships
6. Membership and minimum race participation are maintained.

## **NDR Regions**

**Region 1:** Arizona, California, Nevada, Utah, Hawaii

**Region 2:** Washington, Oregon, Idaho, Montana, Wyoming, Alaska, British Columbia, Alberta, Saskatchewan

**Region 3:** Texas, New Mexico, Oklahoma, Arkansas, Louisiana

**Region 4:** Nebraska, Kansas, Iowa, Colorado, Missouri, Minnesota, North Dakota, South Dakota, Manitoba, Ontario

**Region 5:** Illinois, Indiana, Wisconsin, Ohio, Michigan, Kentucky

**Region 6:** South Carolina, Georgia, Florida, Alabama, Mississippi, Tennessee

**Region 7:** North Carolina, Maryland, Delaware, Virginia, West Virginia, District of Columbia

**Region 8:** Pennsylvania, New Jersey, New York, Quebec, Ontario

**Region 9:** Connecticut, Massachusetts, New Hampshire, Rhode Island, Vermont, Maine, New Brunswick

## Regional Rally Program

1. The number of top point earners that a region may send as prequalified finalists to the *NDR* National Championships is based on the number of *NDR* Rallies held in that region:  
4 to 8 Rallies = 1 Prequalified Finalist  
9 to 14 Rallies = 2 Prequalified Finalists  
15 to 20 Rallies = 3 Prequalified Finalists  
21 or More Rallies = 4 Prequalified Finalists
2. The only points that are considered for the Regional Points Championship are those points earned within your region.
3. These pre qualified finalists positions are limited to those racers who earned the points. If that racer does not attend the *NDR* National Championships, that prequalified finalist position is lost to that region.
4. All racers must have their *NDR* membership in place prior to collecting *NDR* Points. All racers must compete in at least four *NDR* races during the racing season regardless of any prequalified status.  
**NOTE: (the minimum race requirement will increase to 6 for the 2010 racing season)**

## Regional Championship Races

1. Depending on division car count, the top three finishers in each division will be awarded a prequalified finalist's position at the *NDR* National Championships. Here is the formula:
  - 2 cars for one finalist
  - 5 or more cars for 2 finalists
  - 8 or more cars for 3 finalists
2. Racers from any region are welcome at all Regional Championship races.
3. A racer may tie-up only one regional race prequalified finalist position.
4. Once a racer accomplishes a prequalified finalist position, they may continue to compete in other Regional Championship Races to collect points and trophies.
5. If an established prequalified finalist finishes in the top three at an additional Regional Championship Race, the prequalified finalist status will be awarded to the next eligible racer.
6. If any of these prequalified finalists choose not to attend the *NDR* National Championships, that position is lost to the Region.
7. The standard *NDR* points system will be used for awarding points. The awarding of double points is not allowed.

## National Points - Top 8

1. Racers can collect points anywhere in the United States and Canada.
2. The Top 8 point earners in each division will be prequalified finalists at the *NDR* Nationals.
3. A special award will be presented to the Top 8 point earners in each division at the *NDR* Nationals
4. The awarding of prequalified finalists positions at *NDR* Nationals are limited to just the Top 8 in each division, whether they choose to attend *NDR* Nationals or not.

## NDR Nationals Shoot Out - Top 16

1. A Feature Race will be held at Nationals to include the 16 cars in each division in attendance.
2. The positions in this race assigned to racers not attending the *NDR* Nationals will be reassigned to the next eligible racer in attendance.
3. The field for the Top 16 race will be filled as follows:
  - The top point earner from each of the 9 Regions.
  - All remaining open spots in the field of 16 will be filled from the list of National point earners attending the *NDR* Nationals.
